

Wong Falcon

Arranger, Composer, Interpreter

United States (USA), Cupertino

About the artist

A high school student / immigrant in the US who composed numerous pieces and mainly plays euphonium and clarinet while knowing many other instruments.

Qualification: N / A

About the piece

Title:	Deep in the Earth
Composer:	Falcon, Wong
Licence:	Copyright © Wong Falcon
Instrumentation:	Wind ensemble
Style:	Early 20th century
Comment:	This piece is written during thanks giving but the whole song infers to the infrastructure and rise of the human civilization. While nature is constant behind all the industrialization, there's an implied failure of the civilization.
